Re: Implementation of Revised MRP's as per GST Reform 2.0 and DPCO Compliance

Dear Sir/ Madam,

We wish to bring to your notice that pursuant to notifications dated 17.09.2025 of Government of India, Ministry of Finance (Department of revenue), the applicable GST rates on majority of Pharmaceutical and healthcare Products have been revised downward by the Government of India w.e.f. 22.09.2025.

In addition, under the provisions of the Drugs (Price Control) Order 2013 (DPCO), it is mandatory for manufacturers and distributors to pass on the benefit of any reduction in taxes, duties to the ultimate consumer by way of corresponding reduction in the Maximum Retail Price (MRP).

Accordingly in compliance with provisions of GST and DPCO Order 2013, the Company has undertaken a revision of MRP's on the impacted products. The Revised MRP's are enclosed herewith as per **Annexure-A and shall be effective from 22.09.2025.**

You are hereby instructed to:

1. Update your records and billing systems to reflect the revised GST rates and Revised MRP's with immediate effect from 22.09.2025. Please refer to the Revised Price List enclosed hereby for the updated GST rates and MRP (**Annexure-A**).
2. Ensure that all invoices, stock transfers, retail sales are strictly in line with the revised MRP's and Revised GST rates w.e.f. 22.09.2025.
3. Display the Revised Price list of the company prominently in your office or shop premises.

Contd....

4. The Price list enclosed hereby as per Annexure-A, reflects current MRP and revised MRP applicable based on latest batch level pricing prevalent as on date.

You/Channel partners may have some inventory with old MRP (price prevalent prior to current MRP as per price list), in that case you are requested to pass on the equivalent price reduction as per below table, to ensure the benefit of GST rate reduction is extended to end consumer accordingly.

OLD GST RATE	NEW GST RATE	REDUCTION IN MRP	FORMULA FOR COMPUTING REVISED MRP
12%	5%	6.25%	Existing MRP /112 x 105
18%	5%	11.02%	Existing MRP /118 x 105

5. Full input Tax credit will be available on the stocks purchased before 22.09.2025 at the earlier GST rates. There is no financial loss or risk of ITC availability on such purchases.

We solicit your cooperation in implementing these statutory requirements smoothly and in a timely manner.

For M/s Leeford Healthcare Ltd

Authorized Signatory
