

Torrent Pharamceuticals Ltd

Note:

- 1. You are requested to check printed price on the pack, vis a vis the current MRP and revised MRP as per above price list before invoicing.
- 2. Above price list reflect current MRP and revised MRP applicable based on latest batch level pricing prevelant as on date.
- 3. Channel partners may have some inventory with old priced stock (price prevelant prior to current MRP as per price list).
- 4. You are required to pass on the equivalent price redution as per below table, to ensure the benefit of GST rate reduction is extended to end consumer.

| Old GST | New GST | Reduction in MRP |
|---------|---------|------------------|
| 12%     | 5%      | 6.25%            |
| 18%     | 5%      | 11.02%           |
